Description

Maximize Enterprise Efficiency with Smare Solid State Disk

Designed for enterprise-level data storage needs, the Smare Solid State Disk (SSD) ensures superior performance, reliability, and energy efficiency. Its high-speed data transfer capability allows seamless multitasking and optimized workloads in B2B environments.

Unmatched Speed and Durability

With read/write speeds up to 500MB/s, the Smare SSD enhances workflow efficiency while ensuring data integrity. This SSD is built to withstand extreme conditions, making it a durable choice for long-term data management and storage solutions.

Energy Efficient and Scalable Storage Solution

Smare's solid-state disks are not only energy-efficient but also scalable, providing a range of storage capacities to meet different business needs. Whether your enterprise requires 256GB or 1TB, Smare has the right solution for you.

Bulk Supply for Wholesale Orders

Smare specializes in bulk orders, offering competitive prices for businesses and suppliers looking for large-scale SSD integration. Our SSDs are available with flexible supply chain support, ensuring timely delivery for all your B2B needs.

Key attributes

Industry-specific attributes

Application	Desktop .laptop. notebook
Type	Internal
Style	SSD
Interface Type	Sata 3.0

Other attributes

Item Condition	New
----------------	-----

Products Status	New
Place of Origin	Taiwan, China
Package	Yes
Interface Rate	6Gb/s
Number of HD	2pcs
Single Disk Capacity	1000GB
Weight(Including Package)	90g
Shell Material	Aluminium alloy
Expansion Port	Sata 3.0
HDD Capacity	128GB/256GB/512GB/1TB/2TB/4TB
Size	2.5"
Speed	5400rpm
Cache	0~512MB
Brand Name	CeaMere / OEM
Model Number	CMSSDA
Read speed	450~550MB/S
Write speed	450~550MB/S
Products Status	Ceamere 2.5" SSD hard drives
SSD capacity	120GB/240GB/480GB/960GB
Warranty	3 Years
Packing	yes
Used for	Laptop, Desktop
Dimensions	100.5mm x 69.85mm x 7mm
Interface	sata 3.0
OEM/ODM	Laser Printing, Free charge
Harddisk	Hard Drive SSD
Certification	FCC ce RoHS
MTBF	2.000,000 hours

Packaging and delivery

Packaging Details	Nice Blister Packing
Selling Units:	Single item
Single package size:	10X5X3 cm
Single gross weight:	0.060 kg

Lead time

Quantity (pieces)	1 - 1000	> 1000
Lead time (days)	7	To be negotiated

Note:

1. We are manufacturer, factory directly supplies, welcome OEM / ODM Orders
2. About SSD: Doesn't include SSD holder, SATA cable and screws.

Specifications:

Interface: 2.5", SATA 3 6Gb/s(compatible with SATA2 , SATA1,to drop speed)

Operation Systems: Win98/ME/2000/XP/Vista/7/8/10; OS 9.X/ Linux 2.4, Or Above

Compatible Devide: Desktop / Laptop / Commercial Computer, and so on

Warranty: 3-years Limited

Performances Speed

Sequential Read Speed: Up to 500MB/s; Sequential Write Speed:Up to 400 MB/s.

*** Performance may vary based on system hardware & configuration

Warranty* 3 Years Limited Warranty
